## COSMOPOLITAN

A brand new concept for an extra large, 120x120 hexagon stands out in the collection. Its imposing dimensions, as well as its rounded edges with contrasting triangular dots, are perfectly in step with the current curvy interior design trends. Available both in matt and wax finish, the Grand Hex reinvents a traditional geometric pattern with this new two-tone module that lends rhythm and contemporary style to any room.

## COSMOPOLITAN

An anthology of stone stories...its lively and sensual texture lends infinite character and elegance to its surroundings.

Its naturalness is a powerful source of comfort and serenity.

Cosmopolitan is a collection of six trending colors and sizes with an extensive assortment of decorative accessories that create modern and exciting geometric elements in sophisticated color combinations.

Here we have an extraordinary interior design tool to give life to refined and contemporary habitats with a genuine Italian flair.
